

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election an outrage! It demonstrates why we need to be vigilant in monitoring media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. It is not in the interest of democracy for this corporate entity to use their monies to usurp regular programming to push their political agenda.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
